## **FROM THE CENTER SEAT**

I was a little disappointed at the turn-out for the May meeting. It was supposed to be the month in which nominations for Captain and First Officer were to be taken. However, only six crew personnel showed up. The attendance at the June meeting was much higher and nominations took place as scheduled.. The results were not surprising. I was nominated for Captain and Joe was nominated for First Officer. There was a bit of humor when Connie was nominated for First Officer! The nomination and second were both withdrawn after “Evil Eye” Connie made her non-verbal feelings known to the nominators! The “election” will take place at the July meeting. Please try and come.

“bad” Data and that there would be some conflict between Data and Captain Picard.

With great fanfare, Viacom opened its first theme store in Chicago. The company plans to open a total of four to five stores during the next several years. Be nice if they opened one in Atlanta!

Aron Eisenberg (Nog) and his wife Jessica celebrated the birth of their son, Nicholas Lawrence, this past April.

A casting call has gone out for “out-of-this-world” Star Trek characters, including Federation officers, Klingons, and Ferengi by Star Trek: The Experience. This addition to the Las Vegas Hilton is scheduled to open in late July.

The Detroit News recently published an article entitled “Voyage into the Future: Finding the Career that’s Right for You,” a career guide for students whose Star Trek theme and design were intended to attract young readers.

Much thanks to Dateline: Starfleet, Sue Harke, and Juan Espada for the information this month.

## **ACCOLADES TO:**

PO2 Kris Kersey for graduating from High School!

CRMN Kathi Murphy for graduating from Columbus State University!

Cadet Chantel Billingsley whose Pioneer Little League team, The Cougars, placed first in their division in the city!

## **FINALLY...**

Everyone should welcome back from Georgia Tech ENS Elizabeth Atkins! It was good to see her at the June meeting - all 5' 13" of her!!! In addition it was also good to see Tim Atkins (although he has no excuse for not coming to DaVinci events because he still lives in Columbus)!
