## IT'S THE CAPTAIN CALLING

Bang! Zap! Pop! Fizzle and KaBoom! No, it's not the beginning of an epic Batman episode, it's all the fantastic fun that the crew of the USS DaVinci had at our annual 4<sup>th</sup> of July party on Saturday, 5 July. Freddy and Connie were kind enough to host the event, which this year was attended by nearly 20 DaVinci personnel and their guests. We even had the opportunity to see some folks that haven't been available to attend other events for various reasons and it was very nice to see them again. The hamburgers and hotdogs were delicious and all the trimmings such as homemade potato salad, corn salad, and macaroni and cheese made for a holiday feast that even a Klingon could sing stories about for generations to come. Home made desserts were also on hand to take care of the sweet tooth and I myself particularly enjoyed the cherry pie.

James, Vanessa, Lech, Todd, and Diane, and Leiko, Randy, Russell, and Rebecca wait for the food!

Chow time and the crew digs in!

The crew fixes their plates and Connie and Diane talk about – who else – Freddy and Russell!

Jeff, Gregory, Christopher, and Martha, and Rebecca, Randy, and Lech in the food line.

Russell, Diane, and Ariana and Connie, Todd, Vanessa, and James finish out the line.

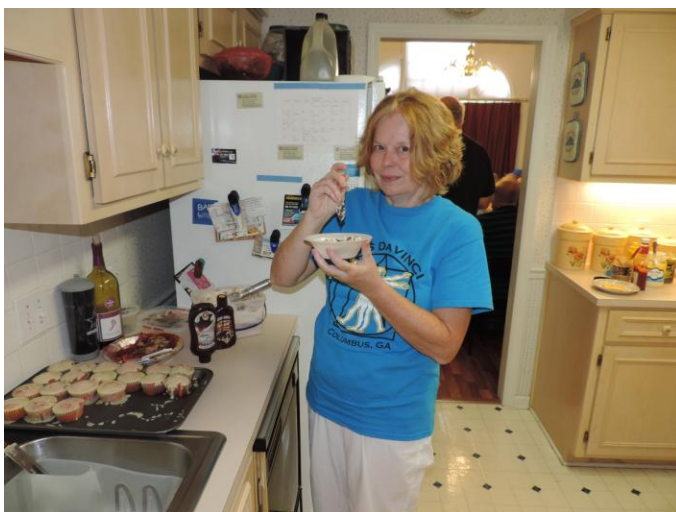

Enjoying the food in the dining room are Margaret, Jeff, and Leiko and Lech and Gregory.

Russell, Joe, James, Vanessa, Todd, and Diane enjoy their food in the kitchen while outside on the patio Randy, Rebecca, and Connie enjoy theirs.

Yummy, ice cream for dessert and Connie with her "baby" DiNozzo!

After everyone had plenty of time to eat and fellowship for awhile, we decided to give out our annual awards but just before all that I had that awesome honor of awarding our faithful Chief Medical Officer, Jeff Kirkland, with a long overdue promotion to the rank of Rear Admiral. I also promoted Martha Kirkland to the rank of Lieutenant Commander. Congratulations to both Jeff and Martha. Other awards presented included a certificate of meritorious achievement to Joe, certificate of appreciation to Maria, and a special DaVinci Ship's Galley award to Connie for all her contributions in the area of food preparation during our events. There were some other awards; however, those individuals were not present so I won't reveal them until we get a chance to present them personally.

Guess who received awards? Jeff (promotion to RADM); Martha (promotion to LTCMDR); and Connie (Starship Galley Award)!

Let us not forget Joe (Certificate of Appreciation) and Maria (Certificate of Appreciation)

**COME FOR THE FOOD AND FRIENDSHIP!!**

Names were drawn and several door prizes were given out to members of the crew. I can't remember all of them so take a look at the pictures to see for yourself. We wound things down around 5:00 PM and everyone went their separate ways. My personal thanks to all that participated at this event. Your efforts to be a part of our activities do not go unnoticed.

Look what we won! Maria (Klingon book); Katie (Star Trek coasters); Gregory (Star Trek book)

We did too! Vanessa (Star Trek coasters); Todd (Star Trek comics); Martha (Star Trek encyclopedia)

Hey what about us! Ariana (Star Trek coasters); Christopher (ST shot glasses); James (action figure)

The DaVinci crew discussing future chapter activities near the end of the day.

What great time we had at Chilli Thai. Nine of the DaVinci crew made it to participate in our July Night Out at the Chilli Thai Restaurant in Columbus on Monday, 21 July. One of our newest members, Scott Roop, even came in his uniform! Their menu items were described in chili peppers from one to three but many of the entrees had no peppers next to them and were not spicy at all. You could even order one of the spicy meals without any Thai spice. Three or four of us went with the house-fried rice, which had a combination of beef, pork and chicken it along with a tasty selection of vegetables and the portion matched the cost with ease and then some. Freddy got some type of dish with a sauce and all I could hear was “Umm, ah, wow, this is really good!” We all managed to get our fill and some took some home, as the portions were indeed plentiful. While awaiting our meals we awarded Hal a Certificate of Appreciation for his regular monthly contributions of aluminum cans. Joe was the lucky winner of the free meal this month and he also won one of the Captain's perks this time which was Jean-Luc Picard Hamilton plate and the other perk prize was won by Lech who received a Star Trek magazine. Yes, it was another wonderful time together with the DaVinci crew.

Russell, Scott, Lech and Joe, and Gregory wait to order their meals.

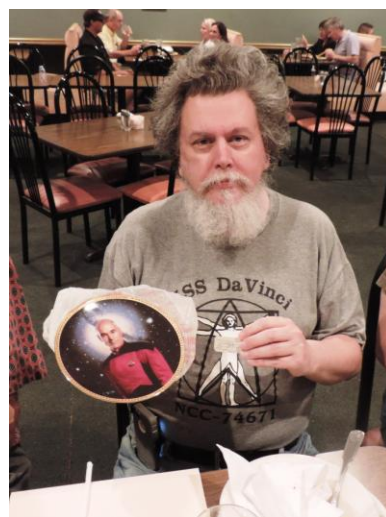

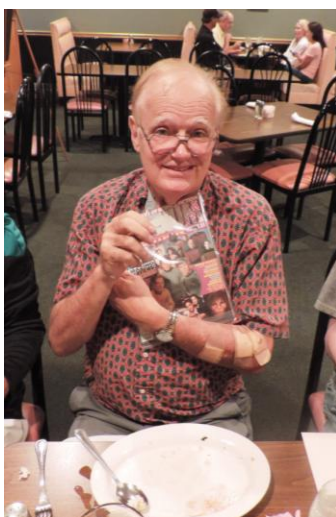

And so too does Tood, Hall, and the happy couple Connie and Freddy.

Russell presents a certificate of appreciation to Hal for his weekly donation of aluminum cans.

Look what we won: Joe (free meal), Lech (Star Trek magazine), and Joe (Hamilton plate)

The DaVinci crew at Chilli Thai and Russell says, "Gotta go and pick up Diane at the church."

Here's one more reminder about the Columbus Comic Book Show that Dutch has planned for Sunday, August 3<sup>rd</sup> at the Coca Cola Space Science Center from 11:00 AM – 4:00 PM. Kevin J. Anderson is scheduled to be the guest author. Kevin J. Anderson is an American science fiction author with over forty bestsellers. He has written spin-off novels for Star Wars, StarCraft, Titan A.E., Star Trek and The X-Files, and with Brian Herbert is the co-author of the Dune prequels. His original works include the Saga of Seven Suns series and the Nebula Award-nominated Assemblers of Infinity. Bring a book for him to sign!

The DaVinci will have its membership drive table set up and we could always use a volunteer or two (or three, or four) to assist us at this event. Dutch can always use some help as well so contact him if you would like to volunteer. As always, Dutch is grateful to us by allowing our members in good standing free admission to his events and we ask that you wear your DaVinci shirt if you have one. If you don't have a DaVinci shirt then we just happen to have a brand new batch that are available for purchase in all three of the branch colors and they look spectacular! Check them out in later in the Pilot.

## RECORDS ROOM REPORTING

The first thing I need to mention is that a whole lot of memberships expired in July. So, PLEASE check your expiration date and if yours has expired or is nearing expiration renew as soon as possible. Also, if you renew your Starfleet membership, PLEASE let me know so that I can change the date in the official files. Thanks.

Do not forget to check out the new DaVinci t-shirts. All sizes are in stock from S-4X and a few children's medium. So if you want one let me know and I will reserve one for you.

Part II of the Twilight Zone marathon is scheduled for Saturday, 23 August, at my house, beginning at 12:00 PM. As before, snacks will be provided but you must bring your own beverage of choice. Connie has some interesting snacks ideas dreamed up and if you remember the surprise she pulled at the Indiana Jones marathon, you may wish to consider coming.

I know this is really early but I received an email newsletter from the Keep Columbus Beautiful Commission with a schedule of event for the rest of the year. This year's Help-the-Hooch River clean up is scheduled for Saturday, 04 October. I reserved our usual site, Rigdon Park so mark your calendars for this fun-filled event. More to come later.

Records room signing off.

Here we are in midsummer and it is getting very warm. I hope that you are having a very good summer. I want to remember a few simple rules. When you are going out for any length of time please put on some sunscreen, keep yourself well hydrated (water is the best), and have a good time for the rest of the summer.

Close Frequencies.

Come on folks! Time is slipping away and we are way behind if we ever hope to meet our goal of 100,000 tabs! # USS DAVINCI IN PICTURES

The following is a trip down the USS DaVinci memory lane. Each month I will show a series of photographs from our very beginning, as the Shuttle DaVinci, up until the present time. Many of you will remember these faces. To others they will be complete strangers. But, they made the USS DaVinci what it is today. Reminisce. If you have any photographs that you would like to see published in the Pilot, feel free to send them to me with a brief explanation as to who is in the photo and when and where it was taken. If I get a name wrong, please let me know! Okay, here is Part I from the May 2006 Columbus Game and Hobby Expo at the Coca-Cola Space Science Center.

Watching the helicopter flying outside and Russell waiting his Vito's hotdog lunch.

Park enjoys one of the jet simulators and Russell as seen from the FLIR (note Vulcan hand salute).

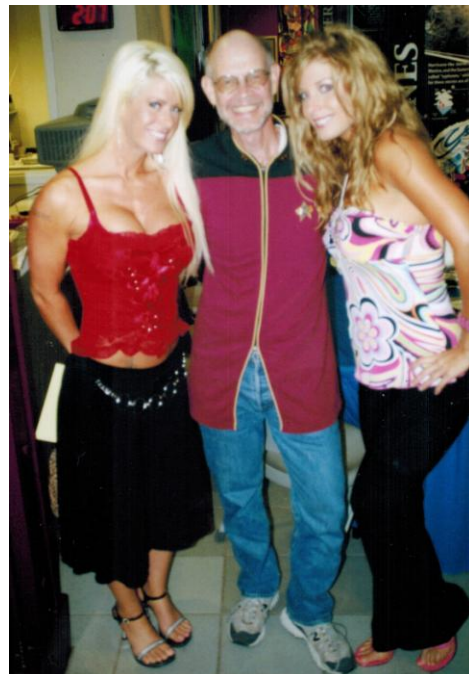

Guess who is having way too much fun posing with a couple of wrestling stars!

Christopher plays the Mars Rover simulator and Russell, Randy and Park at the DaVinci table.

New members Stacy and Stephanie and Freddy just had to have another one taken!

The DaVinci crew at the expo (Front L-R: Russell, Park, Todd, and Joe; Back L-R: Christopher, Rebecca, Randy and Freddy)!

In next month's Pilot, photos from our 8<sup>th</sup> annual 4<sup>th</sup> of July cookout!
