PASSAGES

StarTrek.com is saddened to report the passing of veteran character actor and Star Trek: Deep Space Nine guest star Richard Libertini, who passed away on January 7 at the age of 82, following a 2 year battle with cancer. He made his sole journey to the Trek universe when he played the Bajoran poet Akorem Laan in the fourth-season DS9 episode, "Accession."

Beyond Star Trek, Libertini amassed more than 100 credits on stage, television and in films, and he also performed stand-up comedy early in his career. Those credits included *Catch-22*, *Quincy*, *Soap*, *Days of Heaven*, *The In-Laws*, *Fletch*, *Fletch Lives*, *Awakenings*, *Nell*, *Monk*, *Supernatural*, *Dolphin Tale* and *Sonny with a Chance*. His final on-screen appearances came in 2015, when he guest-starred in two episodes of the David Duchovny series *Aquarius*, with one of the episodes directed by Star Trek: *Voyager*'s Roxann Dawson. As noted, Libertini performed stand-up comedy at the start of his career, and his partner for a time was recurring DS9 guest star Paul Dooley. We extend our condolences to Libertini's family, friends, colleagues and fans.

FROM THE CENTER SEAT

Well our Pie Party was a bust because one of the pie throwers could not make it as too one of the pie receivers! So that portion of the fun has been postponed until a later date! The day did start out with lunch at Golden Corral. I was a bit disappointed at the low number of folks that attended. Only 8 crew personnel attended (we usually have a much larger turnout for the event). After we had our fill of food we moved on to the Ronald McDonald House for the official turn-in of the 80,000 tabs we collected throughout the year. It was then we decided to postpone the fun part of the day until we could get everyone together. Connie suggested we have it at our 20th anniversary party and that is an interesting thought. I will keep y'all updated as to when.

Martha and Jeff and Joe at the buffet line.

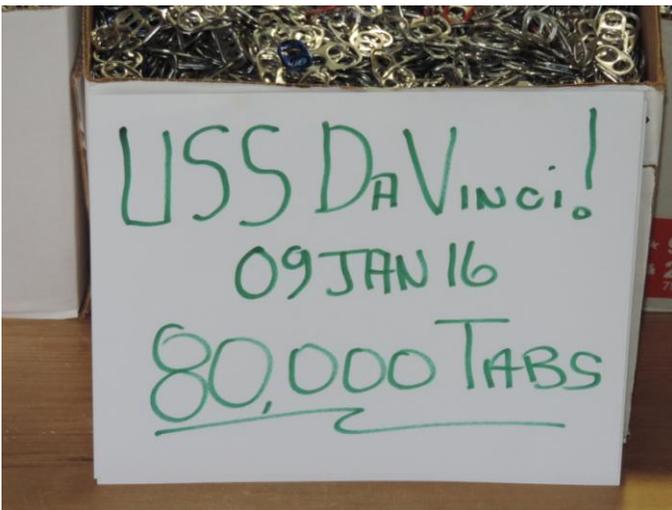

And so too is Connie and Todd!

Connie and Todd at the table and, although they did not eat, Russell and Diane joined us.

Freddy enjoys his food and the rest of the DaVinci crew at Golden Corral!

Our 2016 tab turn-in at the Ronald McDonald House!

We had a fairly good turnout for our January Night Out/Membership meeting at the Lemongrass Thai and Sushi restaurant on Wynnton Road in the Midtown area of Columbus! Nine DaVinci folks dined on some of the best food in Columbus! If you did not come you missed out! Not only was the food excellent but the portions were so big that many of us had to take some home. Connie and I ordered calamari for an appetizer half expecting the size you find in most restaurants but to our surprise they were as big as onion rings! Granted you only got about 8 but they were so big they would have made a meal by themselves! After everyone had finished we were surprised when our server brought everyone a scoop of strawberry ice cream with Cool Whip on top! The winner of the free meal this month was Connie; her name being drawn by last month's winner Lech. Next month's Night Out/Membership meeting will be at Cheddar's. I am quite sure we will have a big turnout for this gathering. Hope to see you there. In the meantime here are some photos from Lemongrass Thai and Sushi!

Gail and Scott and Hal and Todd wait to order.

Connie and Lech and John, Becky, and Joe also wait to order.

Our server takes orders from Gail, Scott, John, and Becky.

While Hal, Freddy, and Connie wait their turn.

Scott enjoys his appetizer while Freddy tries to figure out how to use chopsticks!

Look what I won! Connie wins the free meal and the DaVinci crew at the January Night Out!

My loving spouse, Connie, will be turning 60 on Valentine's Day. We will be meeting at Red Robin on the 12th at 7:00 PM to celebrate this milestone. Please try to attend.

At the end of next month Region Two will hold its annual summit in Navarre, FL on 26-28 February. Several members of the DaVinci plan on attending including Connie and myself and Russell and Diane. If you plan on going, please let me know. For more information on the Summit go to region2.org and click on the Summit link.

On Sunday the 28th the Columbus Comic Book show will be held at the Space Science Center on Front Avenue from 11:00 AM to 4:00 PM. Admission is \$4.00 but will be waved if you are working the DaVinci table or helping out Dutch. Joe will be manning the DaVinci table and would appreciate some help. Contact him at cptsuvak@knology.net. If you wish to help out Dutch with security or whatever else he needs you for, contact him at dutch@ccssc.org. The featured guest will be Aaron Knots Brewster who has made numerous television and film appearances. Check his extensive list on imdb.com. He will be autographing for free!

Look for a new devious contest a little bit further in the newsletter. It should a load of laughs for all!

So until the next time, engage!

COMMUNITY SERVICE

At the beginning of each year I let folks know about our community service effort. Long standing members know these but for you new folks you may not know which organizations we try to help out. All of these programs are an important way that the DaVinci helps realize Gene Roddenberry's vision of future in which poverty, hunger, and war do not exist. Granted these programs are but a small step in that direction but a step they are.

Ronald McDonald House

The Ronald McDonald House is a home away from home for parents whose children are undergoing medical treat at a hospital. This treatment could last several days to several weeks or even months. The Houses are built on the idea that parents should not have to worry about the

cost of staying near their children or where their next meal is coming from. The Ronald McDonald House believes that it is important that the hospitalized child have the love and support of family. Families stay at little or no cost. So how can we help? Our primary aid is through the collection of pop tabs found on a variety of canned products. The tabs collected by the Ronald McDonald House are then sold to a recycle center and the proceeds go to helping pay the operating expenses of the House. In fact, the yearly tab donations are enough for all of the utilities (gas, electric, water) to be paid in full! So when you open that can of pop or soup, or even pet food, save the tab and when you get enough count them and turn them in at the next DaVinci event. Tabs are not the only things you can donate to the Ronald McDonald House. Have you ever tossed out that empty printer cartridge figuring that no one would ever have a use for it? Next time take it to the Ronald McDonald House. They get money for each empty cartridge. Want to help out even more? The Ronald McDonald House always needs donations for the everyday operation of the House. Items such as bathroom tissue, paper towels, coffee, light bulbs, cleaning items, trash bags, snack foods, the list goes on and on. For more information on what is needed go to rmhcwga.org

Keep Columbus Beautiful

There are two ways we help this organization. The first is the annual Help-the-Hooch River clean up, which takes place in early to mid October. The DaVinci has been involved with this activity for 19 years. Help-the-Hooch is the largest clean up event in the Southeast. Their mission is to protect the resources of the Chattahoochee River basin by removing all the solid waste dropped by careless individuals. Each year the Help-the-Hooch event draws over 10,000 volunteers and removes over 100,000 pounds of litter from along its banks. We usually have a pretty good crowd of personnel from the DaVinci help out every year. Once the work is finished we all adjourn to Golden Park for the volunteer activity, which includes free food and a Help-the-Hooch t-shirt (note the correct spelling this time). In conjunction with the volunteer activities is the Watershed festival with many displays from organizations around the Columbus/Phenix City area.

The second way we help keep Columbus beautiful is our Adopt-a-Highway program. Our section of Columbus' roadways is the entrance and exit ramps off exit 6 of the North Bypass (Schomburg/Blackmon Roads). During the summer months we meet near the east ramp from Blackmon Road around 8:00 AM. Given time we try to go out for breakfast following the clean up. When it gets colder the time is pushed ahead 1 hour to 9:00 AM. We should clean up at least once a month but usually try for once every few months. Quite often another group cleans it before we can schedule a date.

Education Labels

Something we more recently started was the collection of Box Tops Education, Labels for Education, and Project A+ labels. These items can be found on a variety of products from cereal to soup to butter to biscuits. Look for the following and cut them out:

The labels are then turned over to a local school where they are then exchanged for money or merchandise. Each Box Top for Education label is worth 10 cents; each Label for Education is worth 1 point, and each Project A+ label is worth 24 cents. Again, this is a simple task and requires only a pair of scissors and a little bit of willingness on your part.

Starfleet Stampede

The Starfleet Stampede is a program where cancelled stamps are collected and sent to Starfleet where they are sorted, packaged, and sold to stamp dealers. The money collected is used for the various Fleet level charities as well as college scholarships. Again, this is a simple task that only requires scissors and your time. You can even tear the stamp out if you cannot find a pair of scissors. Whichever way you choose, try not to get too close to the stamp edge.

Overseas Coupon Program

Another one of our long running support programs is the Overseas Coupon Program or OCP. OCP was established to help Military families stationed in various parts of the world outside the United States. These families have no other way of obtaining manufacturer's coupons than by family members or programs such as the OCP. Manufacturer's coupons are classified (for OCP purposes) as either food (human not pet) or non-food. Coupons can be found in the Sunday Ledger-Enquirer and the weekly Fort Benning Bayonet. This program will take a little bit of your time for the coupons need to be cut out, sorted between food and non-food, and added up into amounts totaling no more than \$500 in each pile. On several occasions I have received heart-felt thank-you letters from the Army Community Service (ACS) that receives our donation. Last year we sent a total of \$37,500 worth of coupons which was the largest total since the \$48,000 we sent in 2001! I would love for us to beat that total for this year. Beside me, only a two or three other crewmembers take the time to cut, sort, and total coupons for this very worthy project. Please start collecting today!

Other Programs?

There are many more programs in the Columbus/Phenix City/Fort Benning area that are in need of volunteers. If you can think of some organization that we can help, no matter how large or small, please let me know. One thing we did in 2012 that we forgot to do since was volunteer at the annual Thanksgiving feeding the needy at the Valley Rescue Mission. It was quite an experience for the four of us who took time out of our schedule to volunteer. I hope to do it again this year.

TABULATIONS

Well, a new year is upon us and a new goal is on the horizon. We will shoot for 100,000 tabs again this year although we have not met that goal since 2012 when we hit 100,000 tabs on the nose! Come on folks, let us see if we can reach 100,000 tabs this year. Remember, the tabs can come off any type can from pop to cat food to dog food to soup! Ask your neighbors to save tabs for you; ask your church or other social group to save tabs. You will be surprised as to how many tabs you can collect that way. With a big donation at the January Night Out, Scott has zoomed into the lead, but can he hold it? Jeff the Tab King looms on the horizon! Here are the current totals as of press time:

Starting Balance	000
Scott Roop	2168
Freddy Heller	381
Hal Stewart	23
Connie Heller	3
Total	2575

Not a whole bunch to be sure but it is a start so start saving those tabs today!

USS DAVINCI IN PICTURES

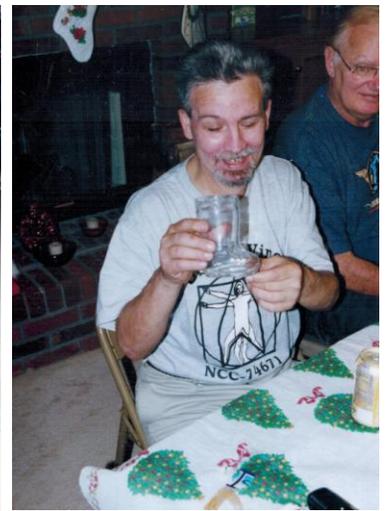

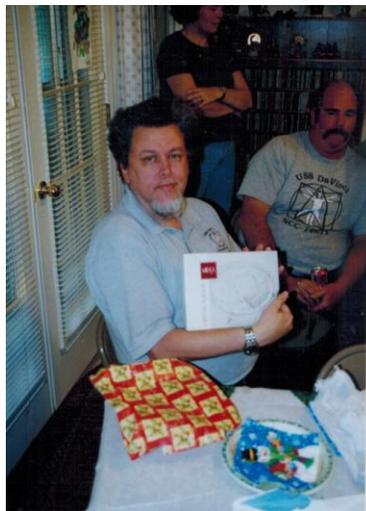

The following is a trip down the USS DaVinci memory lane. Each month I will show a series of photographs from our very beginning, as the Shuttle DaVinci, up until the present time. Many of you will remember these faces. To others they will be complete strangers. But, they made the USS DaVinci what it is today. Reminisce. If you have any photographs that you would like to see published in the Pilot, feel free to send them to me with a brief explanation as to who is in the photo and when and where it was taken. If I get a name wrong, please let me know! Okay, here is Part III of our 2006 10th annual Christmas Party!

Martha and Diane show off their door prize gifts while Jeff and Russell look on.

Lisa's gift brings a laugh from Diane and Russell and Russell shows off his gift.

Ariana draws names for the "gag" gifts and Joe, Martha, and Park show what they received!
