## PASSAGES

StarTrek.com is deeply saddened to report that Anton Yelchin, Star Trek's current Chekov, died on June 19<sup>th</sup> at the age of 27. The actor was killed, in a freak accident, at home in Los Angeles by his own car. Yelchin played Chekov in Star Trek (2009), Star Trek into Darkness and will be seen next month in Star Trek Beyond.

Yelchin was born in St. Petersburg, Russia, and moved with his figure-skater parents, Irina and Viktor Yelchin, to the United States when he was just six months old. He was already one of Hollywood's most-exciting young talents -- a screen natural -- when he signed on to play Pavel Chekov in Star Trek (2009), having logged film and television credits that included ER, Hearts in Atlantis, The Practice, Curb Your Enthusiasm, Alpha Dog, Huff and Charlie Bartlett. Since playing Chekov in the first J.J. Abrams blockbuster, he'd appeared in Terminator Salvation, The Beaver, Fright Night, Only Lovers Left Alive, Experimentator and the recently released Green Room, in which he co-starred with Patrick Stewart. In addition to Star Trek Beyond, he'd completed several projects set for release in the near future, among them We Don't Belong Here, Porto, Rememory and Thoroughbred.

Back in 2011, StarTrek.com spoke with Yelchin about playing the young Chekov and the likelihood that he'd be playing Chekov over the course of several films. Asked if he felt his version of Chekov served as a bridge to Walter Koenig's, Yelchin replied, "I don't know if it builds to Walter's Chekov, that if we make more films then suddenly it'll totally become that guy. I just think that I tried to capture as close as possible all of the great qualities that Walter brought to his Chekov. So I hope there's a continuity. I don't know if it's necessarily an evolution, but I hope there's a continuity where you can say, 'Oh, yeah, I buy that person being that age.'"

John Cho, Star Trek's current Sulu, was among the first to comment on his friend and colleague's passing. He tweeted, "I loved Anton Yelchin so much. He was a true artist - curious, beautiful, courageous. He was a great pal and a great son. I'm in ruins."

Paramount Pictures released the following statement: "All of us at Paramount join the world in mourning the untimely passing of Anton Yelchin. As a member of the Star Trek family, he was beloved by so many and he will be missed by all. We share our deepest condolences with his mother, father and family."

Please join StarTrek.com in offering our condolences to Yelchin's family, friends, colleagues and fans.

StarTrek.com is also saddened to report the passing of Ronnie Claire Edwards. The actress, who was best known for her role as Corabeth Walton Godsey on *The Waltons* and in several of the *Waltons* reunion telemovies, made her mark on the Star Trek universe with her guest star appearance as Talur in the "Thine Own Self" episode of *Star Trek: The Next Generation*. Talur was the Barkonian teacher/scientist/healer who tried to help Data after the android completely lost his memory and wandered into a village carrying a container full of the radioactive metal. Edwards, who lived in Dallas, Texas, died in her sleep on June 14 at the age of 83.

Edwards as Talur on TNG and as Corabeth Walton Godsey on the Waltons.

In addition to TNG and *The Waltons*, Edwards -- whose credits dated back to 1963 -- appeared in such other films and shows as *Boone*, *Dallas*, *Sara*, *Dynasty*, *Nobody's Fool*, *Designing Women*, *The Dead Pool* and *Inherit the Wind* (the TV version with George C. Scott and Jack Lemmon). She also wrote plays, including *Idols of the King*, and published a book entitled *The Knife Thrower's Assistant: Memoirs of a Human Target*.

Please join StarTrek.com in offering our condolences to Edwards' family, friends, colleagues and fans.

## FROM THE CENTER SEAT

WOW! We had a great turnout for the June Night Out/Membership meeting at the Longhorn Steakhouse. Twenty-three hearty adventurous souls descended on the management who had to keep adding table space to the original 12-15 estimate. The food was good and the service outstanding as Laurin our sole server kept everyone's drinks full. I am sure she probably collapsed into bed after her shift was over! The drawing for the free meal compliments of the DaVinci went to Joe Perry (not to worry Gregory, you have to win eventually)! A BIG Bajoran thanks to all who attended. Next month we will be meeting at the Cannon Brew Pub in beautiful downtown Columbus. The food there is quite good so mark your calendars for 18 July at 7:00 PM. Until then, enjoy some of the photos from the June Night Out/Membership meeting:

Checking out the menu is Karl, Adam, and Lisa M. and Debbie and Jeff pose for a photo.

So too does Jeff and Martha and Diane and Russell!

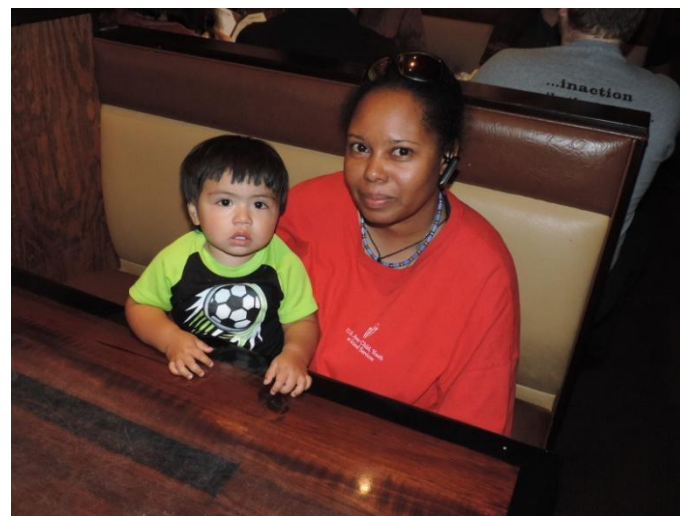

Also posing are Lisa M., Chris and Scott and Lech (glad to have you back in good health!)

Hal and Lisa N. and Steve smile for the camera.

Joe and Gregory, both ever so stoic, pose for a photo and so too does Tish with little Homer

Thelma sits with Tish and Homer while at the adjacent table Todd, Michael, and Brittanney wait to order.

Laurin takes orders from Scott and Lech, Lisa M. and Chris, and Jeff and Martha.

Martha, Sandra, and Diane wait their turn to order and Diane hugging on Homer!

Look what I won! Joe shows off his free meal ticket and the DaVinci crew at Longhorn!

On Saturday, 24 June, we bid farewell to John and Becky Thane by having a luncheon in their honor at Golden Corral. I was not too sure how many folks would show up and was quite pleased when 11 crew members came to the luncheon! With the exception of the lack of meat loaf on the buffet (they finally put some out just before we left), the food was excellent. John and Becky are headed to Fort Bliss, TX near the city of El Paso. "Out in the west Texas town of El Paso, I fell in love with a Mexican girl. Nighttime would find me in..." Oops, sorry about that I sometimes get carried away when I hear the name of that town in Southwest Texas. Anyway, John is not sure what he will be doing and it may be their last assignment as John is eligible to retire in 3 years.

Jeff, Martha, Joe, and Todd wait for more folks to arrive and John at the buffet.

**NEXT DAVINCI NIGHT OUT AND MEMBERSHIP  
MEETING WILL BE AT**

**CANNON BREW PUB**

**ON MONDAY 18 JULY, 7:00 PM**

**COME FOR THE FOOD AND FRIENDSHIP!!**

Becky cannot quite decide what to get while Joe does not have that problem.

Jeff and Martha hit the buffet line.

Michael and Todd and Lech and Joe get ready to chow down.

Martha gets ready to sit while Wilbert and Jeff share a laugh and Wilbert with mom Sandra.

Chatting after lunch: John and Michael and Todd and Wilbert.

We will miss you Becky and John! Good luck at Fort Bliss and be sure to keep in touch!

Our 4<sup>th</sup> of July cookout will be held on 09 July at my house at 2:00 PM. The DaVinci will supply the hamburgers and hotdogs and the rest will come from those who attend (hey Lisa M. hope y'all bring those luscious deviled eggs and Russell those ever so yummy potato logs from the Walmart deli). I will send out email as the date nears but if you plan on attending, please let me know what covered dish you are brining and how many in your party (I need to know how many burgers and dogs to buy! Thanks.

GOOD NEWS!! We have been given permission to have a membership drive table at the release of Star Trek Beyond on 22 and 23 July at the Carmike 15 theater complex. There will be more news on the times and the possibility of continuing the drive on the 24<sup>th</sup> coming soon so stay tuned!

Okay folks, lots of membership expire this month so please make sure yours is not one of them and renew as soon as possible. Thanks!

Until the next time - engage!

ADM Freddy Heller

## FAN BOY EXPO

Diane and I had the wonderful opportunity to go to the Fan Boy Expo 2016 Convention in Knoxville, TN the weekend of 24-26 June. This is a convention unlike others I have attended in that the host offers guests outside the normal realm of science fiction/anime and brings in some of the nostalgic guests from when us "senior" folk were growing up along with so other venues of popularity as well.

We got to see about a dozen professional wrestlers in attendance that included super star 16 time World Champion and 2 time Hall of Famer Rick Flair and others such as Kevin Nash, Ricky Steamboat and the acrobatic wrestler Jeff Hardy among others. William Shatner and Nichelle Nichols were guests along with Dawn Wells (Mary Ann from Gilligan's Island), Barbara Eden (I Dream of Jeannie), The Duke Boys and Daisy (John Schnieder, Tom Wopat , and Catherine Bach), and Billie Dee Williams and son (Lando from Star Wars). So you see it's worth the time to attend this convention just to see all the wonderful variety of guests there. Check it out:

Dawn Wells, Barbara Eden, and Dean Cain at Fan Boy Expo.

Nichelle Nichols and Rick Flair

On display were the Sherriff's car and the General Lee from the Dukes of Hazzard, the Mystery Machine from Scooby Doo and one of the trucks from Jurassic Park. Of course Diane and I went to all of the guest Q&A's (they don't call them panels here) and were privileged to see a showing of the newest Star Wars movie, The Force Awakens, shown to the VIP attendees. Although the hotel dining room food was delicious I did find it a bit on the pricy side and the menu was rather limited. We did go to a local BBQ restaurant for dinner Saturday night and that was pretty good. I still will never get use to the idea that hotels charge extra to have a refrigerator in the room and we even had to pay for parking at our hotel. Well, despite the minor gripes, we had a fantastic time at the Fan Boy Expo and I highly recommend this convention to anyone. That's all for now.

Live long and prosper!

VADM Russell Ruhland and LTCMDR Diane Ruhland

## USS DAVINCI IN PICTURES

The following is a trip down the USS DaVinci memory lane. Each month I will show a series of photographs from our very beginning, as the Shuttle DaVinci, up until the present time. Many of you will remember these faces. To others they will be complete strangers. But, they made the USS DaVinci what it is today. Reminisce. If you have any photographs that you would like to see published in the Pilot, feel free to send them to me with a brief explanation as to who is in the photo and when and where it was taken. If I get a name wrong, please let me know! Okay, here is Part II of our Away Mission to the USS Robins!

Barbara and Bill and other USS Robins crew members conduct the meeting.

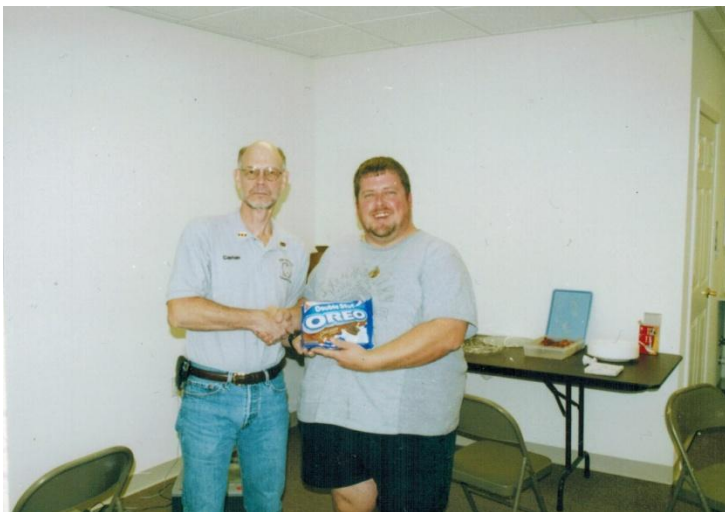

Joe, Martha, Jeff, and Lech at the meeting and Freddy and a USS Robins crewmember watch Joe read his promotion certificate.

Handing the certification over and one happy USS Robins Lieutenant!

The new Lieutenant also got some goodies and the USS Robins and USS DaVinci crews!

Next Month, Vanessa Winfield's birthday celebration!
