## FROM THE CENTER SEAT

Well the slow month began with the semi-monthly Pizza and a Movie at my house. Ten DaVinci folks feasted on pizza and 8 watched “Forbidden Planet” in the TV room while Connie and Diane watched “Rise of the Guardians” in the back bedroom. We also had a special guest (whom I have been trying to get to join the DaVinci for a number of years without success). Dutch brought Scott Norman, the Challenger Center Coordinator at the Space Science Center. I bought 4 pizzas from Little Caesar - 1 mushroom, 2 pepperoni, and 1 ham - and by the end of the evening there were only a few pieces of the ham pizza left over. Everyone enjoyed the movies and cannot wait for the next Pizza and a Movie Night in June. I have a fun movie in mind for June so stand by!

Dutch and Scott wait for the rest of the folks to arrive and the pizza is “hot ‘n ready”

Diane, Todd, and Joe help themselves to the pizza.

Enjoying the pizza and the movie are Scott and Dutch and Steve, Josh, and Joe.

Diane and Connie chat in the kitchen and let the boys watch their movie and the boys watching “Forbidden Planet” at our 3<sup>rd</sup> Pizza and a Movie Night!

We had a nice turn out for the April Night Out/Membership Meeting at the Texas Roadhouse. Eleven DaVinci personnel met and dined on some good food and chatted Trek, conventions, and a host of other topics. The place was very crowded and fortunately the Texas Roadhouse had implemented call ahead seating which I took advantage of. Once 8 of us arrived I notified the staff and we were seated just about on time. Several of us had Spirit Cards and enjoyed a free “Blossom” with the purchase of an entrée. They are so big that one would have a hard time finishing it as well as an entrée so most of us who ordered the Blossom took home portions of both! Our server, Marybeth (cool name) was wonderful and kept everyone’s drinks filled and dirty dishes cleared

Once everyone had just about finished their meals it was time for the monthly drawings for a free meal and the Captain’s Perks! This month’s perks were a Spirit Card type card donated by Todd and a couple of free passes to the Space Science Center donated by Dutch. First up was the drawing for the free meal. Scott’s mom, Gail drew the lucky winner and - well, it had to happen sooner or later – Gregory’s name was drawn! Yes, folks, this was the first time Gregory has ever won the free meal, although he did not seem too excited about it. Humm, he must have some

Vulcan blood flowing through his veins! The winner of the Captain's Perks was our very own matriarch, Martha! Congratulations to the winners! Shortly after the drawing, folks began going home until they meet again at our next DaVinci event. Enjoy the photos from all the fun!

Waiting to be seated are Scott and Gail and Martha and Jeff.

Dutch checks out his phone while waiting to be seated and Joe and Michael wait to order.

Checking out the menu are Dutch, Karl, and Steve and Gail and Scott.

Marybeth takes Jeff and Martha's orders and Michael discusses his new books with Jeff.

Look what we won! Gregory (at last a free meal) and Martha (Spirit Card and Space Science Center passes)

Gregory and Joe enjoying their meals and Freddy, Dutch, Karl, and Steve pose for a photo.

Next month is our annual uniform night at the Olive Garden. This is a fun-filled evening for both those who attend and the staff and management at the Olive Garden as they really enjoy our being there. Please note that the May Night Out/Membership meeting will be on a different date due to some conflicts. Normally, the May Night Out would be on 21 May but Connie and I will be out of town on that date. So using my captain's prerogative, I moved the Night Out to Thursday, 17 May. The time remains the same – 7:00 PM. This is a uniform event so if you have a uniform (Starfleet or Marine) please wear it. If you do not have a uniform but have a DaVinci t-shirt, wear it instead. If you do not have a DaVinci t-shirt, there is no better time than the present to buy one! Hope to see you there.

May ends with our annual “ABCDE” at Red Robin. For those of you new to the DaVinci, ABCDE stands for “Admiral’s Birthday Celebration Dinner Extravaganza!” The ABCDE is a gathering to celebrate the birthdays of Jeff (15 May), Russell (25 May), and myself (26 May), all of us being Admirals in Starfleet! Watch your email for all the information.

Our next get together will be on 04 May, also known as Star Wars Day. We will be meeting at Dutch’s house in Phenix City to watch “A New Hope.” Dutch will supply the hot dogs, chips, and drinks and Connie has volunteered to make a special dessert. If you wish to bring something you can. Again, watch your email for all the information.

Until the next time - engage!

ADM Freddy Heller

## **678<sup>th</sup> STARFLEET MARINES**

Greetings Marines! Another month has passed and we're almost half way through the year already. With the summer months coming up I'm sure a lot of you will be planning for shore leave and other activities, which brings me to a question. I would like to know what you all as a unit would like to plan for summer activities. We have Memorial Day which is right around the corner, the Fourth of July and plenty of hot days in between. For a lot of us the heat gets to be almost unbearable so I think most of our activities should be kept indoors or done during the late evening and afternoon hours. That doesn't mean we can't all meet somewhere and have a cookout or spend a day at Callaway Gardens in Pine Mountain for a small away mission. Of course I'm sure our illustrious CO, Freddy Heller, will also be hosting events. I wasn't able to attend the last meeting to bring this topic up, but I'd like you all to think of some places we can go or activities we can have and of course invite our DaVinci crewmen. So please think of some ideas and bring them to the next meeting.

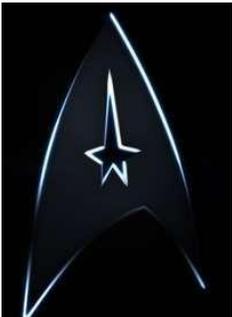

As usual, I would like to invite anyone reading this who is not a Marine to join the ranks of the 678<sup>th</sup> MSG (Marine Strike Group). You do not have to give up your rank or position if you currently hold one on board the DaVinci. You get to keep your rank and it will transfer over to

the equivalent marine rank. From there you will be known by and answer to your Marine rank. For example, in Starfleet, I am a Fleet Captain, but my equivalent rank in the marines is Brigadier. Also, if you hold a position on the DaVinci you will also get to keep that position as well as playing a dual role, if you like, within the Marine unit. I would also like to stress that we are not a separate entity from the DaVinci and are very much a part of the ship and participate in all DaVinci and Starfleet functions. We are a unit of Starfleet Marines who are currently assigned to the DaVinci. All Marines in the unit report to me, the OIC (Officer In Charge), but we all, even I, ultimately report to the ship CO (Commanding Officer).

That is all I have for this briefing. I hope to see you all at the next DaVinci night out and remember, it is a uniform function, so if you have a uniform remember to wear it. Please remember though, if you are a marine, we will be wearing our Monster Blacks as the Salt and Pepper's will not be acceptable attire. If you have any questions on the uniforms please refer to the section in the Marine Force Manual on uniforms or feel free to contact me with any questions you may have.

Until next time, Ooh-Rah!

Brigadier Joshua Ainsworth  
678<sup>th</sup> MSG OIC  
2<sup>nd</sup> Brigade, 3<sup>rd</sup> Battalion

## PASSAGES

StarTrek.com is saddened to report the passing of Tim O'Connor, the veteran stage, film and television actor whose distinguished career spanned decades and included the role of Ambassador Briam in the fifth-season Star Trek: The Next Generation episode, "The Perfect Mate."

O'Connor and Patrick Stewart in the TNG episode "The Perfect Mate"

According to an April 11 obituary in his local newspaper, The Union, O'Connor passed away peacefully in his sleep on Thursday, April 5th, while at his longtime home in Nevada City, California. He was 90 years old.

Born on Chicago's South Side, O'Connor's pursuit of acting took him to New York and later to Los Angeles. He often played serious authority figures and was probably best known for portraying Elliot Carson -- husband to Dorothy Malone, father to Mia Farrow -- in 416 episodes of the show Peyton Place.

His many other credits included The Twilight Zone, The Defenders, The Outer Limits, The Fugitive, All in the Family, Maude, Wonder Woman, Buck Rogers in the 25th Century, M\*A\*S\*H, Dynasty, T.J. Hooker, The Naked Gun 2 1/2: The Smell of Fear and The Burning Zone. O'Connor also co-founded the Children's Theater in Nevada City and directed numerous productions for the Foothill Theater Company, also in Nevada City.

O'Connor is survived by his wife, Sheila MacLurg O'Connor, his son Timothy O'Connor, and three stepsons. Thanks to StarTrek.com for the information.

## NEWS YOU CAN USE!

The new rates for membership in Starfleet are in place and are a pretty good deal. NOTE: There are no more paper memberships available. All memberships are electronic (via email). If you are thinking of joining Fleet but the expense was too high now you can get your membership for much less money. Not only will you save money there, but your membership in the DaVinci is half off as well (up to a \$7.50 savings!) and you are automatically promoted to Acting Ensign! The new Starfleet membership rates are: Individual - \$5; Family of 2 - \$9; Family of 3 - \$12; Family of 4 - \$14; Family of 5 - \$16; and Family of 6 - \$17. Paper membership certificates are no longer available – all memberships are now completely digital. However, if you wish a paper certificate it will cost you \$3.00 for each one plus shipping. If you want a printed copy of the Starfleet handbook it will cost you \$8.00 plus shipping. If you are not in Starfleet, please give some thought about joining this great organization!

## TABULATIONS

The tab collection effort for 2018 was going at a snail's pace until Jeff dropped of 4,000 tabs at our 22<sup>nd</sup> Anniversary Party! Our goal of 100,000 tabs is going to be difficult this year because I lost my prime source for tabs. I went in to turn-in my bag of cans to JD Knight and was surprised

to see that they are out of business! Fortunately there is a recycling center right next door. Unfortunately JD Knight was my source so I am back in the hunt! As always, the tabs can come off any type can from pop to cat food to dog food to soup! Ask your neighbors to save tabs for you; ask your church or other social group to save tabs. You will be surprised as to how many tabs you can collect that way. Here are the totals as of press time:

<b>Starting Balance</b>	0
Jeff Kirkland	4000
Connie Heller	1917
Freddy Heller	605
Hal Stewart	19
<b>Total</b>	<b>6541</b>

## CONVENTIONAL WISDOM

It has been a while since this part of the Pilot has been published. There are some great nearby conventions on the horizon. So without further ado:

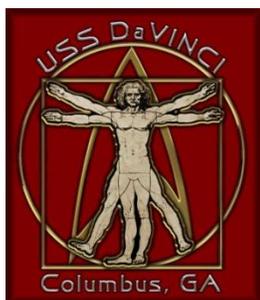

**WHOLanta:** 04-06 May, Hilton Atlanta Airport, Atlanta, GA. Need I say “Wibbly Wobbly Timey Wimey?” Not as big as some other Dr. Who conventions but from what I understand it is loads of fun. Small guest list. This one is just around the corner so make your plans to attend now.

**MegaCon:** 24-27 May, Orange County Convention Center, Orlando, FL. The guest list is quite impressive. I went to MegaCon last year and had such a good time that I decided to go again this year. Check out <http://megaconorlando.com/> for all the information.

**FanBoy Expo:** 29 June – 01 July, Knoxville Convention Center, Knoxville, KY. Both Russell and I have been to this one and Dutch, Connie, and I plan to go this year. There is a very impressive guest list. Check it out at <https://fanboyexpo.com/>.

**Atlanta ComicCon:** 13-15 July, Georgia World Congress Center, Atlanta, GA. I may be going up just on Saturday for this one. Check out <https://atlantacomiccon.com/> for all the information.

**Heroes and Villains Fan Fest:** 18-19 November, Georgia World Congress Center, Atlanta Georgia. This one calls for another possible day trip on Saturday. The guest list is just beginning to take shape with a few great guests confirmed plus, it is not too far away. Check out their web site at <http://heroesfanfest.com/atlanta/> for further information.

## USS DAVINCI IN PICTURES

The following is a trip down the USS DaVinci memory lane. Each month I will show a series of photographs from our very beginning, as the Shuttle DaVinci, up until the present time. Many of you will remember these faces. To others they will be complete strangers. But, they made the USS DaVinci what it is today. Reminisce. If you have any photographs that you would like to see published in the Pilot, feel free to send them to me with a brief explanation as to who is in the photo and when and where it was taken. If I get a name wrong, please let me know! Okay, here is Part I of our 11<sup>th</sup> annual participation in the 2007 Help-the-Hooch River clean up.

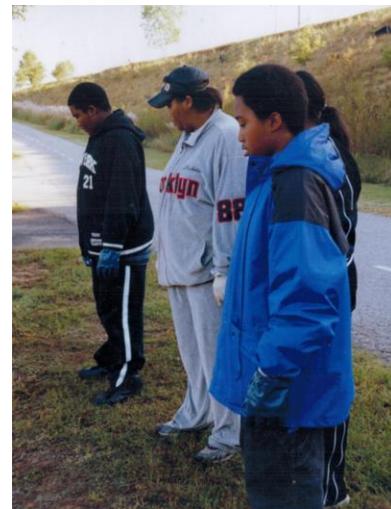

Christopher and Ariana wait for more arrivals and then walk down the River Walk to begin the clean up effort.

Randy, Todd, Ariana, Christopher, and Freddy pick up trash and the Chattahoochee River.

Randy climbs down to the river's edge to pick up trash on the embankment as does Freddy.

Freddy and Randy work hard on the embankment while Mario, Vanessa, Ashley, and Mario look on.

Vanessa shows off a pearl necklace she found while Mario shows off the sign he found.

Next month, Part II of our 11<sup>th</sup> annual participation in the 2007 Help-the-Hooch River clean up.
