## FROM THE CENTER SEAT

Before I begin my article I need to stress that 18 memberships in the DaVinci expire in July! Please look at the Memberships section later in the Pilot to see when your membership expires. Thanks. Okay, on to the fun stuff....

Wow! The month started off with a bang as Dutch hosted our first (and hopefully not the last) Star Wars Day (May the 4<sup>th</sup> for those slightly in the dark) celebration at his house in Phenix City. Dutch went way overboard for the 8 DaVinci folks that invaded his home to watch the theatrical (!!) version of Star Wars: A New Hope (which was not called New Hope back then). Yes, we got to see the version where Han shot Greedo first! Wahoo!. Before the movie began Dutch went all out grilling hot dogs and bratwurst. He also had baked beans, chili, pop, and plenty of chips, and other snack foods available for our hungry crew. Connie went all out (as she usually does) and made "That's No Moon" cookies (in the shape of a Death Star) and crescent-shaped Moon Cookies! Todd brought some spinach dip, sliced salami, cheese pieces, and Ritz crackers. Needless to say that by the time the movie began everyone had pretty much had their fill. I brought a few Captain's Perks and as the credits rolled on the screen we drew some names for the 3 Star Wars related items. Connie was the winner of a Storm Trooper mask, Scott N. won a Rogue One movie cup, and the big winner was Diane who took home a really nice Star Was can cooler! Congratulations to all the winners. Shortly after the door prize drawings folks began going home. A BIG Bajoran thanks to Connie for the wonderful (and tasty cookies) and a BIGGER Bajoran thanks to Dutch for having us at his home and for all the wonderful food. Check out some of the photos of all the fun.

Connie, Diane, and Ariana discuss the Star Wars cookies and Russell and Diane get drinks.

Dutch prepares the grill and Ariana and Connie relax on the deck.

Check out the brats and hotdogs and the Death Star and Moon cookies!

And the line forms! Russell helps himself while Diane, Joe, and Todd await their turn and Todd and Scott enjoy a laugh while waiting their turn.

Diane gets some baked beans and Russell some chili while the rest of the hungry crew dig in.

Ah, the best part of the evening! Dutch, Joe, and Russell enjoy their meal on the deck while Scott sits by himself in the dining room (“Hey, it is where the snacks are!”)

The crew of the DaVinci watching Star Wars (sans the “New Hope” title).

Look what we won: Connie (Storm Trooper mask), Scott (Rogue One cup), Diane (cup cooler)!

The crew of the DaVinci at Dutch's Star Wars Day celebration!

Wow, were we looking good at our annual "Uniform Night" for the May Night Out/Membership meeting at the Olive Garden! There were costumes galore including Steam Punk, Starfleet Marines, Original Series, both TV and movies, and even a Romulan uniform! So, if you missed this one, you missed a fun-filled time. It was a smaller turn out than usual with only 15 DaVinci members present. I know some of it had to do with the change in day but that could not be helped.

Anyway, once everyone had arrived several of the staff asked if they could have a picture of our assembled cast (which we were more than happy to oblige just before we left). The food was great as usual and our servers Ariel and ??? were terrific and kept the salad, soup, bread sticks, and drinks coming. Once everyone had consumed just about all the bread sticks in the house, it was time for our monthly drawings. First up was the free meal and last month's winner Gregory drew the name of the lucky winner. This month's winner was Lisa M.! I brought some Captain's Perks to give away and also a couple of donations came from Russell (Federation Credits) and Jeff (Spirit Cards). Russell's really neat donations I saved for another occasion but the one I

brought and the one Jeff donated were given out. First up were the Spirit Cards. The first name drawn was Todd's but since he was the originator of the cards, he passed. The next name drawn was Joe and he too passed. Finally Russell's name was drawn and he gladly accepted the gifts. Next the book that I had brought, Star Trek and Philosophy, was given away and that lucky winner, drawn by Russell, was Karl. Congratulations to all the winners!

There was still more to come. Hal received a long overdue promotion to LTJG and Scott received two certificates: an Initial Entry Training Award and a Professional Development 100 Marine Basic Training Award from the Marines (which I had in my possession a couple months because I placed them in my desk drawer after receiving them from Barbara and then proceeded to completely forget about them). My apologies to both Barbara and Scott and also to Josh who will get his certificates at a later date but please do not tell him as it will be a surprise – I hope.).

Once the awards were given out and all the bills were paid the group posed for some photos from Russell, myself, and a few staff members. I asked Scott, the only Marine present, to dismiss the group and with a resounding "DISMISSED!" the evening of fun, good food, and surprises was over. A BIG Bajoran thanks to all who attended. Check out the photos from all the fun.

Checking out the menu are Martha and Jeff and posing for a photo are Joe and Karl.

Steve and Lisa and Gregory and Scott (in his Marine uniform) stop their menu browsing for a quick photo pose.

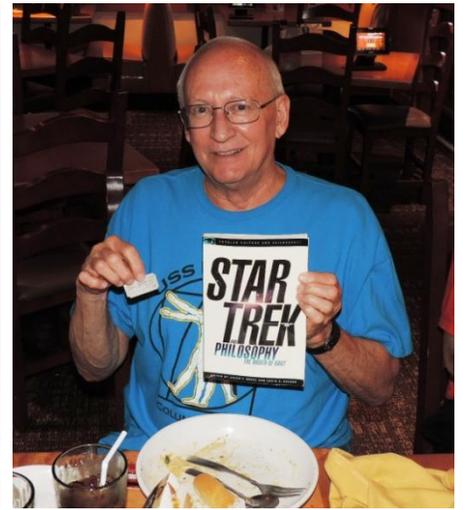

Russell (with a staunch Romulan salute) and Diane and Todd and Hal pose for a photo.

Finally, Sandra (in TOS uniform) and Freddy and Connie (in Steam Punk) pose for a photo and our server, Ariel, takes Russell and Diane's orders while Martha waits her turn.

"No sir, as I explained to you, we do not have any Romulan Ale" and Sandra gets cheese added to her soup by our other server.

Look what we won: Lisa (free meal); Russell (Spirit Cards); and Karl (Star Trek book)!

Award time! Freddy presents certificates to Hal (promotion to LTJG) and to Scott (Initial Entry Training Award and a Professional Development 100 Marine Basic Training Award).

The DaVinci crew at the Olive Garden for our May Night Out/Membership meeting.

Next month's Night Out/Membership meeting will be held on Monday, 18 June, at the 13<sup>th</sup> Street location of Red Lobster. I hope you will be able to make it. But, before then on Friday, 08 June, I will be hosting our bi-monthly Pizza and a Movie Night. There will be more information on both of these events later on.

Thanks to my computer melt down I will talk about the ABCDE gathering at Red Robin to celebrate the birthdays of the three admirals aboard the DaVinci who were all born in May – Russell (25<sup>th</sup>), Jeff (15<sup>th</sup>), and myself (26<sup>th</sup>). If you did not know “ABCDE” stands for Admiral's Birthday Celebration Dinner Extravaganza! At one time we even included Festive Gathering but thought it a bit too much. Anyway, we had a nice turn-out as 13 crew members joined in on the fun. The food was great and the service – well, it was not quite what we are used to. It seems like one server for 13 persons was not enough. Still, we had a good time and the three of us did receive our birthday sundaes along with a rousing Red Robin birthday song. Lech joined us and it was great to see him at one of our events. A BIG Bajoran thanks to all who came out to help us celebrate our birthdays. Check out the photos from all the fun.

Waiting to order are Diane and Connie and Joe and Steve.

Also waiting are Gregory (head shaved for his 3 week training) and Lech and Martha and Jeff.

And so too are Freddy and Karl and Todd and Russell.

Michael shows Gregory some of his books while later Jeff shows Lech the same.

Hanna, our server, takes Diane's order and the "Gossip Girls", Connie and Diane, go at it!

Gregory is impressed with his milkshake and the rest of us are impressed with his hamburger order!

Freddy, half of the “Guinness Brothers”, enjoys his libation and the birthday admirals pose for a photo at Red Robin!

The next DaVinci event is coming up soon! The bi-monthly “Pizza and a Movie” will take place on Friday, 08 June, beginning at 6:30 PM. The location is my house and the film we will be watching is another classic 1950’s sci-fi thriller! Watch your email for more information.

Until the next time - engage!

## 678<sup>th</sup> STARFLEET MARINES

Greetings Marines!

This month we start off by congratulating 1LT Jeanne Ainsworth on completing PD-100 and graduating with honors from the Starfleet Marine Academy and becoming a full-fledged Marine. Ooh Rah!

I'd like everyone to remember that if you haven't taken PD-100 you must do so in order to become a full-fledged marine. If you have any problems with trying to get started or applying for the course, please contact me and I will be glad to help you. Also, the Starfleet Academy has been updated and in order to advance in rank you need to take OTS (Officer Training School) and OCC (Officer Command College). There are a number of courses you can take either in Starfleet Academy or Starfleet Marine Academy also. I would also like to mention too that the Starfleet Academy is now using Moodle, a software package designed for online classes and testing. With this you can take your Starfleet Classes online without even having to do email correspondence. Email correspondence is still available and is still an option as is snail mail.

Another mention of thanks goes to GEN Barbara Paul. I would like to personally thank her for volunteering to pay for and order new unit T-Shirts. MCPT David Lindsey and I met one day to discuss unit business and how we'd like to see the unit move forward. MCPT Lindsey had mentioned the idea of acquiring T-Shirts for the unit which I thought was an excellent idea. I was passing this idea along to GEN Paul who is a member of the unit as well as our Battalion OIC and she not only approved of the idea, but immediately volunteered to pay for and order our t-shirts. If you remember, GEN Paul also volunteered and paid for our unit patches also. Having said that, I would like to send my thanks and appreciation (and a big OOH RAH!) on behalf of the entire unit to her for her generosity and willingness to help the unit. GEN Paul, the Marines of the 678<sup>th</sup> MSG salute you!

Last of all I would like to apologize, due to unforeseen circumstances, for not attending the last couple of Night Outs with the DaVinci. We usually have our meetings to discuss unit business at these times, but I would like to remind you all that if you have any business, ideas or problems that need my attention please feel free to contact me. I know you all have my phone number and are welcome to call me anytime or you may contact me by email at johtod3@yahoo.com.

Until next time, Ooh-Rah!

## DIGGIN' FOR THE TRUTH

I had the opportunity to work the registration table at the 29<sup>th</sup> Annual Young Astronauts Day which was held on 05 May in the Century of Flight Hanger at the Museum of Aviation in Warner Robins. There were 310 kids in attendance to hear astronaut candidate, Heidi Hammerstein talk about and show videos about what it's like to go through actual astronaut training. She said getting the kids involved so early is essential. The Georgia Garrison 501<sup>st</sup>, Ocmulgee Squad, was there in their Star Wars costumes equipped with Storm Troopers, Imperial Officers, Darth Vader, Rebels, and even Jawas. Below are some pictures from the event.

Registration Crew: I'm front center sitting down and the Georgia Garrison 501<sup>st</sup>, Ocmulgee Squad

The Summer Camp Education crew and a shot of the crowd of participants.

Parachute training class and COL Drew of the Air Force addresses a crowd of young astronauts.

The Museum of Aviation already has a day picked out for Young Astronauts Day next year. They want to have it on May 4<sup>th</sup> to have even more fun-filled Star War events for the kids. It is never too late to mark your calendars for this one. Perhaps an away-mission?

## PASSAGES

Joseph Campanella has passed away. Campanella, a prolific character actor and Star Trek: Voyager guest star, died on Wednesday, May 16 at the age of 93, according to his family. He succumbed to natural causes at his home in Sherman Oaks, CA.

Campanella was an Emmy and Tony nominee who boasted more than 200 film and television credits and enjoyed a career that spanned decades. Among the New York City-born actor's credits were The Bold Ones, The Fugitive, Mission: Impossible, Mannix, The St. Valentine's Day Massacre, Ben, One Day at a Time, Baywatch, The Colbys, Days of Our Lives, The Love Boat, Guiding Light, The Practice, Beauty & the Beast, The Bold and the Beautiful and CSI: Crime Scene Investigation. He also voiced Dr. Curt Connors/Lizard for the animated Spider-Man series from 1994-1997.

The actor ventured into the Star Trek universe with a one-off guest shot on Voyager. He played the Federation Arbitrator in the episode "Author, Author." Back in a 2004 interview with Starlog Magazine, he said that his Trek stint "has gotten me an amazing reaction from people. I receive all kinds of fan mail and requests for pictures from that one appearance." More than three decades

earlier, he was considered for the role of Kang in the Star Trek Original Series episode "Day of the Dove", however, that role went to Michael Ansara.

Campanella, 2<sup>nd</sup> from right, as the Federation Arbitrator, in the VOY episode "Author, Author."

Campanella, who was also a World War II veteran, is survived by Jill, his wife of more than 50 years, their seven sons, and eight grandchildren. Please join StarTrek.com in offering our condolences to Campanella's family, friends, colleagues and fans.

Thanks to StarTrek.com and MemoryAlpha.com for the information.

## TREKLANTA - 2018

The Shuttle DaVinci-B departed for the Treklanta weekend in Atlanta, GA around 10:30 AM and arrived without incident at 12:25 PM. We were not able to acquire the Captain's yacht this time because Freddy and Connie went to Florida for a mini-vacation at Disney World and the MegaCon convention the same weekend. The hotel is undergoing some remodeling in the main lobby so we had to check in and move our luggage from a temporary entrance on the side of the hotel which was on a small hill and it did make it a bit difficult to get the cart and Diane down to the check-in area but they did manage to give us a room right across from the elevators. Registration did not open until 3:00 AM so we chilled out in the room until that time. We attended a panel on makeup tricks of the trade and the opening ceremonies for the con. Afterward we got some supper at the hotel restaurant and to our surprise saw our friend, Tracey Harwell from the USS Republic and she graciously bought our supper for us as a birthday present for me.

Saturday started out the usual way with breakfast and then panels of the stars with Robert O'Reilly (Gowron from TNG/DS9), Gary Graham (AMB Soval - ENT), Robert Duncan McNeill

(Lt Paris - Voy) and Conrad Coates (ADM Terral - Discovery). This was Conrad Cotes' first Trek related convention and he was totally thrilled about the fan support. We took a break for some con suite snacks and late supper from McDonald's and then it was off to the 30<sup>th</sup> Anniversary Party for the USS Republic and following that the 2018 Miss Klingon Beauty Pageant. This year there were only four contestants but nevertheless a great event. I also had the opportunity to set up my new TOS bridge scene backdrop in the autograph room and it was a big success. We will be using the backdrop in the future for various DaVinci activities so keep your eyes open for those events. After the beauty pageant we called it a night.

The guests of Treklanta pose with Erik; RC Ryan Case poses with USS Republic CO Erik Watts; and the winner of the 2018 Miss Klingon Beauty Pageant!

After Sunday breakfast, AM inter-faith services, and a couple more panels we headed home to assist with our church camp at Camp Joy in Hamilton, GA. Our Regional Coordinator, Ryan Case was present at the convention and announced the co-event for the 2019 Region 2 Summit/Treklanta during the Memorial Day weekend. I am really looking forward to that one and you can too, so start making your plans now and we'll publish more updated info as that event draws closer.

That sums it up for me. Live long and prosper!

ADM Russell Ruhland  
Records Officer

## USS DAVINCI IN PICTURES

The following is a trip down the USS DaVinci memory lane. Each month I will show a series of photographs from our very beginning, as the Shuttle DaVinci, up until the present time. Many of you will remember these faces. To others they will be complete strangers. But, they made the USS DaVinci what it is today. Reminisce. If you have any photographs that you would like to see published in the Pilot, feel free to send them to me with a brief explanation as to who is in the photo and when and where it was taken. If I get a name wrong, please let me know! Okay, here is Part II of our 11<sup>th</sup> annual participation in the 2007 Help-the-Hooch River clean up.

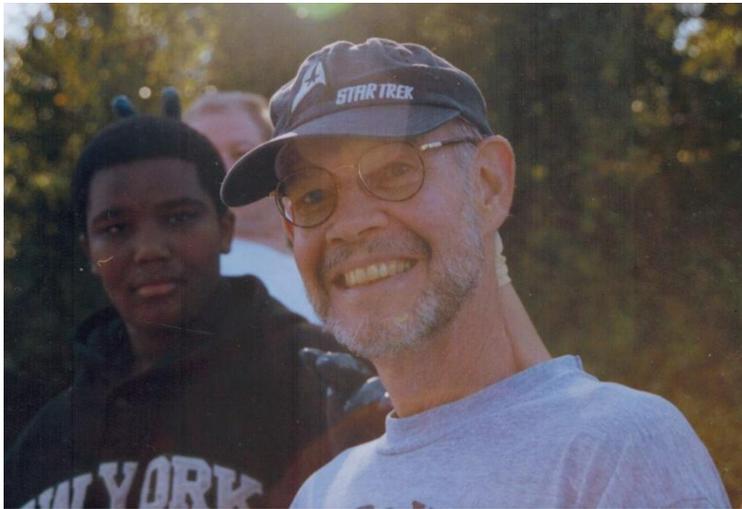

Cesario chats with Matthew while folks from the crew clean up near the embankment.

Ashley and Cesario take a break and the DaVinci crew hard at work.

Completely ignored by Vanessa, Cesario, Matthew, and Freddy, Todd displays his bag of trash with pride.

Cesario and Freddy pose for a photo while Ariana, Cesario, and Mario act a bit silly for theirs.

Next month, Part III of our 11<sup>th</sup> annual participation in the 2007 Help-the-Hooch River clean up.
