STAR TREK FAN ASSOCIATION, INC.

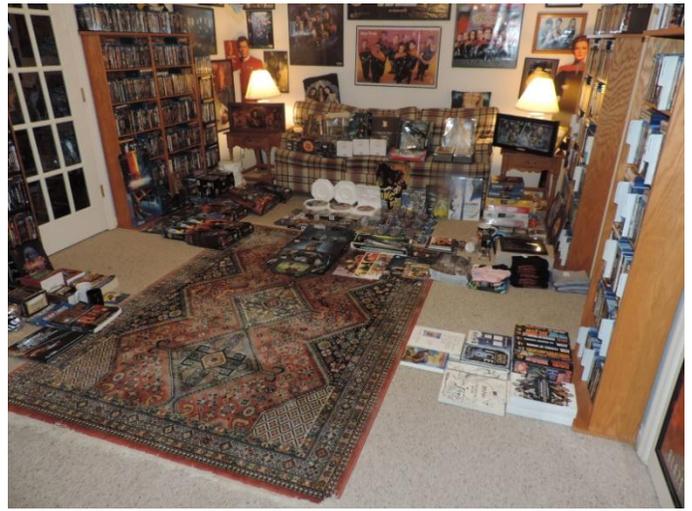

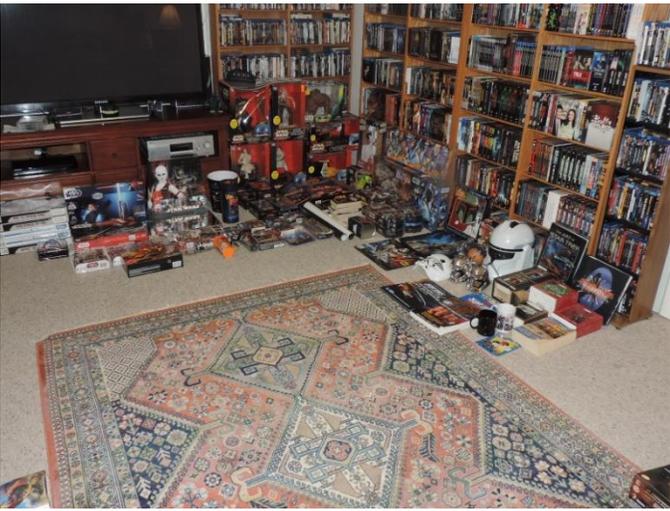

FROM THE CENTER SEAT

May is going to be quite a busy month for the DaVinci. The big item is that 2019 is election year and time to vote on who will be running the DaVinci for the foreseeable future. May is when the nominations begin. Anyone who has been a member of the DaVinci for at least 6 months and meets the following qualifications is eligible to run for Captain: you must be a member of Starfleet and have completed Officer's Training School (OTS) and Officer's Command College (OCC). The latter must be completed by the time you take office. I have decided not to run for reelection. I suppose I am getting too old and too tired of manning the helm and feel it is time for some new blood to run through the veins of the best ship in the Region. The job is not that difficult but can be frustrating at times. Most of the "hard" work is putting together the Pilot every month and doing the monthly status reports both of which other folks do. If only one person is nominated then he or she will take over without the need for an election. If more than one person is nominated then an election will be held in June with the winner taking the helm at the 4th of July cookout. Please feel free to email me if you have any questions. Thanks.

April began rather quickly with our once postponed 23rd Anniversary Party. Although we had fun and a couple of special guests to boot, it was poorly attended – only 10 DaVinci crew members. It would have been more but 4 folks could not come because of illness and since two of the three folks qualified to toss a pie were not in attendance, I thought it only fair that we postpone the Pie Party for another get together. Our special guests were Ryan Case, the CO of the USS Haise out of Jackson, MS and the Regional Coordinator for the Second Fleet and one of his crewmates, Chase Hamilton.

The food was plentiful as I had ordered 3 pepperoni pizzas, 2 mushroom pizzas, 1 cheese pizza, and 1 bacon pizza. Plus there was pumpkin pie and ice cream for dessert. There were some door prizes to give away and once everyone had pretty much had their fill of pizza, pie, and ice cream we drew names. I had Ryan draw the first name and the lucky winner of a 50 Federation Credit bill was Josh. Next, I had Chase from the USS Haise draw for the 2 Star Trek action figures and Joe was the lucky winner. Finally, I had Sandra draw for the last prize a challenge coin from the 2018 International Summit and the winner was Chase who was quite excited to win, Congratulations to all the winners.

I would love to say that the only reason Ryan and Chase came was just to attend our 23rd Anniversary Party but their primary reason was to pick up the plethora of Star Wars, Star Trek, and other miscellaneous items I accumulated for the Region 2 Summit store - Moogie's Store and Auction Emporium. And, a lot of stuff there was! It literally filled up the back of Ryan's SUV from bottom to top and stem to stern. Take a look at all the stuff:

Well, just before everyone began to leave for home, I organized a fire brigade line that stretched from various locations in the TV room, down the hall, and into garage where Ryan's SUV was parked rear first. As Ryan began stuffing items into his SUV and it began filling up, we were not entirely sure everything would fit but, miraculously everything did but, with very little room to spare. Even the floorboard behind the front seats was stuffed full with the smaller items. Ann, Ryan's wife, is the proprietor of Moogie's and was quite taken back when she saw everything that Ryan brought back with him. Now everything has to be inventoried, cataloged, and priced for the Summit in May (and years beyond I am sure) and I do not envy Ann in the least as I held that job for quite a few years before passing the baton over to her 2 years ago (more about the Region 2 Summit later in the Pilot). For now, however, a BIG Bajoran thanks to all who attended.

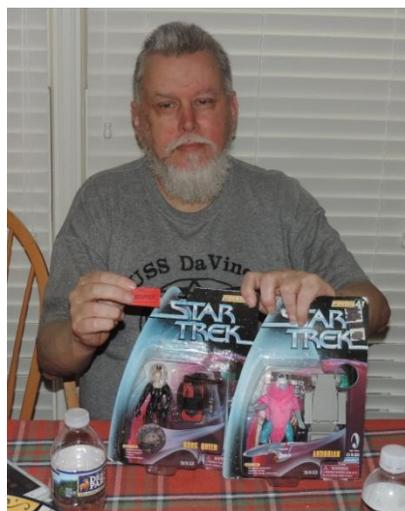

Waiting for the rest of the folks to arrive are Steve, Joe, Lisa, Josh, and Jeanne and Steve – first in line for the pizza.

Next hitting the pizza is Lisa followed by Joe and Josh.

Todd hits the pizza line and Steve, Connie, Joe, Lisa, Josh, and Jeanne enjoy the pizza.

Look what we won! Josh (Federation money), Joe (action figures), Chase (IC challenge coin).

“Now the dragons like to eat fruit” – Connie explains “Merge Dragons” to an excited Wilbert and as Sandra helps herself to ice cream Ryan chats with Todd while an inquisitive Chase peers from behind Todd.

The crew of the USS DaVinci poses with Ryan Case, the Regional Coordinator and CO of the USS Haise.

The next April event was an away-mission to see “Howl’s Moving Castle” at the AMC 13 Theater. As away-missions to see movies go, this one was fairly well attended with 6 DaVinci personnel in attendance. What made it special was that the film was shown in the theater with the reclining seats! As usual we went to Wendy’s for a late dinner following the film. A BIG Bajoran thanks to Sandra, Wilbert (sporting their KISS concert shirts that they saw the previous evening in Atlanta), Gregory, Connie, and Ariana (who drove from Atlanta just for this occasion) for joining me. There will be three films to see in May: “What We Left Behind: Star Trek Deep Space Nine” (a documentary), the 1969 John Wayne film “True Grit” (for you “The Duke” fans), and the next in the Studio Ghibli fest, Miyazaki’s classic “Nausicaa of the Valley of the Wind”. Dates and times can be found on the second page above.

If you plan on attending any of the aforementioned films, please try and see the Deep Space Nine documentary on 13 May. I know it is on Wednesday and many of you attend church that evening but, I am sure that the Lord will understand. It was put together by Ira Steven Behr who

is television producer and screenwriter, and most known for his work on Star Trek, especially Star Trek: Deep Space Nine, on which he served as showrunner and executive producer. Check out the promo for the Indiegogo fund raising campaign <https://www.youtube.com/watch?v=-eqUNL5AdL8>. At the time of the video (filmed during the Las Vegas Star Trek convention) the campaign had just begun. Unfortunately I will be out of town but hopefully Connie and will be able to see it at an AMC Theater in Orlando as we did last year for one of Miyazaki's classic anime films.

Speaking of movies the next Pizza and a Movie Night at my house is scheduled for Friday, 10 May at 6:30 pm. The film to be shown will be 1956 classic "Earth versus the Flying Saucers" with special effects by the legendary master of stop-motion, Ray Harryhausen. As usual the cost of the pizza will depend on how many folks come but it is usually \$3.00 a head. Also you must bring your own drinks. Check your email as the date grows nearer.

The April Night Out/Membership meeting at O'Charley's was nicely attended by 14 DaVinci personnel (it had to be their rolls). Unfortunately Russell, who rarely misses a Night Out, was out of town on church business, but Connie picked up Diane and so she was able to join us. Naturally, the "Gossip Girls" sat together and no doubt spent the entire evening discussing their spouses (they laughed way too much)! Dutch and Scott N. arrived about 20 early and nearly wiped the place clean of rolls! Fortunately the kitchen staff had plenty of extra dough and even though the place was packed with hungry diners our wonderful server, Dana, kept the rolls and drinks coming.

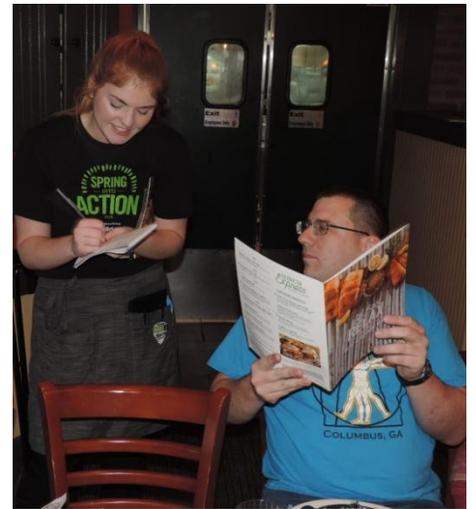

I bought the free lunch coupon to Smokems BBQ in Phenix City that I misplaced last month but found a couple weeks later on the floor of the closet in the TV room. So after everyone had pretty much finished their meals we drew for the "free" meal and the Captain's Perk door prize. First up was the \$10 toward your meal and I had last month's winner, Martha, do the honors. As it was last month Dutch had his hand clasped and looking skyward in hopes of being the lucky winner. Alas it was not to be as Martha drew my name! I drew the name for the free lunch certificate and the lucky winner was Steve. Congratulations to the April Night Out/Membership meeting winners.

Checking out the menu are Steve and Lisa and Jeff and Martha pose for a photo.

Waiting to order and posing for a photo are Scott and Dutch and Joe, Diane, and Connie.

Dana takes food orders from Diane and Connie, Martha and Joe, and Gregory.

Waiting to order are Sandra and Wilbert and Todd and Gregory pose for a photo.

Look what we won: Freddy (“free” meal) and Steve (free lunch coupon) and the “Gossip Girls”!

A couple of more items to be taken care of before folks left for the evening were still on the table. First was a presentation of a Commendation Certificate to Dutch for his allowing the DaVinci to have a silent auction during the Columbus Comic Book show earlier in the year. The auction raised nearly \$300 for the DaVinci’s much depleted Latinum vault. In addition to the commendation, I promoted Dutch to LT for his generosity and devotion to the DaVinci.

Freddy reads the Commendation Certificate and then presents Dutch with both the Commendation Certificate and his Promotion Certificate.

One more item was on the evening’s agenda. Sandra stood and talked about two events she part of. The first was a skating event put on by the Columbus Figure Skating Academy called “Marvelous Show On Ice” to be held on 05 May at 2:00 pm at the Columbus Ice Rink, 400 4th Avenue in Columbus. Tickets are \$7.00 at the door. Check out the flyer below. She also spoke about a Fish Fry to raise money for sending youth from her church (First African Baptist) to the Baptist Conference this summer. The tickets are 10.00 and it will be held on 18 May at the Auto Zone (corner of MLK Blvd and Buena Vista Road) from 11:00 am to 4:00 pm. You have your choice of catfish or tilapia. Sounds wonderful! Too bad I will be out of town.

The May Night Out/Membership meeting will be held at the Olive Garden on 20 May beginning at 6:30 pm. This is the highlight of the year as it is Uniform Night! Yes, if you have a uniform – Starfleet or Marines – please wear it. If you do not own one then wear your DaVinci t-shirt or other Star Trek/sci-fi apparel. The folks at the Olive Garden always get a kick out of us being there dressed to the hilt and quite often ask for photographs to be taken with members of the crew. Sometimes even other patrons ask for a photograph! The record for Night Out attendance is 29 and was set a few years back at the Olive Garden. Let us try to break that record this year. Again, watch your email inboxes for more information or your voice mail if you do not have an email address.

Only three folks showed up at the AMC 13 Theater to see the 1959 classic “Ben-Hur”. Lech, who was in town on business, finished up work earlier than he expected and was able to join Joe and me to watch the 11 Oscar-winning film. Both Lech and I were pretty beat so the usual trip to Wendy’s following the film did not occur. The next AMC classic will be the 50th anniversary of “True Grit” starring John Wayne in his only Oscar winning performance. You can get tickets on line or at the box office as these classic films are never sold out.

The final event scheduled for a very busy May is our annual ABCDE dinner at Red Robin and this year will be held on Thursday 23 May at 6:30 pm. ABCDE stands for “Admirals Birthday Celebration Dinner Extravaganza” and is held to celebrate the birthdays of three of the DaVinci’s admirals – Jeff (15th), Russell (25th), and me (26th). So, no matter when you were born, please join us for the celebration. By the way, if you register your birthday at the Red Robin website you too can get a free appetizer (for joining) and a free burger and ice cream sundae on your birthday!

Until the next time - engage!

678th STARFLEET MARINES

Greetings Marines! I hope the month of May has found you well. First off, I'd like to remind everyone in the unit to make sure you are caught up on dues for Starfleet and with the DaVinci. If you need to know when your memberships are up, please feel free to contact either Freddy or me and we can help.

I apologize for not making the Night Out lately, but I'm still trying to get back on my feet after dealing with some "Imperial Entanglements". It may be a while before I can return fully, but just be patient and I'll get there. For now we will have to put MURP on the back burner and as soon as I can get back we will pick up where we left off.

In other news, those of you who weren't able to make the anniversary party for our ship missed a great time and some of that delicious fungus pizza! I was ready to see our illustrious leaders, Freddy and Joe get pied, but it didn't happen. I tried to "volunteer" as a backup, as any good marine would do for his fellow crewman and commanding officers, but Freddy insisted we postpone it until another time (we'cHa!). Some nice door prizes were given away and, for the first time since I've returned from the Delta Quadrant a couple years ago, I won a prize! My long wait was over! I won a Federation fifty credit bill (see winners pictures) which now has a place of honor on my shelf amongst my collection of action figures and guarded by B'elanna Torres and Worf.

That's really all I have for this month. Just want to let everyone know, though, even though I won't be able to make it to the Night Out, I am still available by email, text and phone. Until next time Qapla' suvwI'pu' (Success warriors!) and Ooh rah!

The new Starfleet membership rates are: Individual - \$5; Family of 2 - \$9; Family of 3 - \$12; Family of 4 - \$14; Family of 5 - \$16; and Family of 6 - \$17. Paper membership certificates are no longer available – all memberships are now completely digital. However, if you wish a paper certificate it will cost you \$3.00 for each one plus shipping. If you want a printed copy of the Starfleet handbook it

will cost you \$8.00 plus shipping. If you are not in Starfleet, please give some thought about joining this great organization!

TABULATIONS

Okay, so the year is starting out slow. Freddy regained his spot as the top “tabber” as Connie fell to second even though she brought some back from her trip to Texas. I am sure that number will not hold up. Wilbert jumped into the fray and is currently in third place.

Start saving tabs. We need to collect at least 45,600 tabs to hit 1.5 million total tabs collected! As always, the tabs can come off any type can from pop to cat food to dog food to soup! Ask your neighbors to save tabs for you; ask your church or other social group to save tabs. You will be surprised as to how many tabs you can collect that way. Here are the totals as of press time:

USS DAVINCI IN PICTURES

The following is a trip down the USS DaVinci memory lane. Each month I will show a series of photographs from our very beginning, as the Shuttle DaVinci, up until the present time. Many of you will remember these faces. To others they will be complete strangers. But, they made the USS DaVinci what it is today. Reminisce. If you have any photographs that you would like to see published in the Pilot, feel free to send them to me with a brief explanation as to who is in the photo and when and where it was taken. If I get a name wrong, please let me know! Okay, here is Part I of our December 2007 Christmas Party!

Margaret hits the food while Roger, Lisa, Russell, Joe, and Lech wait their turn and Patty, Steve, Lech, Joe, wait their turn while Russell, Diane, and Roger help themselves.

Lech waits while Joe and Russell dig in and Shane waits while Patty and Steve dish the goodies.

Alexander enjoys Sandye's lap and Ariana poses for a couple of photos.

Next month: Part II of our December 2007 Christmas Party!
